Lone Worker Policy for Bacton Parish Council

Introduction

The purpose of this policy is to ensure that there are adequate systems in place to ensure the health, safety and welfare of lone workers in order to reduce the risks of lone working as far as is reasonably possible and practicable.

The Council's employees are expected to work alone because of the nature of their jobs. Whilst working alone is not in it-self unsafe there may be circumstances where lone working can increase risk to an employee.

This policy applies to employees and councillors and for the purposes of this policy lone working is defined as anyone who works in isolation from their colleagues without close or direct supervision.

Examples of lone working include:

- Visiting Recreation Ground
- Inspecting play equipment
- Meeting with contractors on site
- General meetings
- Changing information on noticeboards.
-

Lone Worker Guidance

- Carry a mobile phone with you if you have one
- Carry a personal alarm supplied by the Parish Council and use it in a violent situation;
- Do not put your-self at undue risk. Discuss any concerns with the Chairman
- Plan the visit – let someone know time of leaving, where you are going and estimated time of return
- Try to avoid confrontation. If a situation develops, try to remain calm. If violence is threatened, try to withdraw from the situation or call for help
- Whilst it is appreciated that the Clerk has to be available to meet members of the public, this should be during office opening hours, and have other people in the building when possible.
